

2025 COLLEGE WORK DAYS

Wednesday Mar 5th – Wednesday Mar 12th
(volunteer opportunities can be arranged at other times)

Volunteer work opportunities for College Students.

This is a special time to help at Camp for one or more days during your College Spring Break. We need volunteers to help with maintenance/facilities projects and kitchen tasks. Work for up to six hours and then join organized activities (campfires, devotionals, worship sessions, climbing wall, volleyball, and others). Work with other college student volunteers and then have fun at Camp!

Be sure to register for one or more days by emailing us at info@manatawny.org or calling the main office at (610) 707-3822.

Food and lodging provided.
